

Heritage Christian Academy

2009–2010 Business Directory

The following businesses are owned or operated by members of the Heritage Christian Academy Family. These families want to earn your business and hope that this directory provides you with reliable and trustworthy companies to call when you have a need. Rather than just being listed alphabetically, we have listed them by category so hopefully you can quickly find who you need.

Chiropractic care can be defined as conservative care of the body. It is the diagnosis, treatment and prevention of illness without the use of prescription drugs or invasive surgery. We use the most modern clinical techniques such as manipulation of the spine and other joints, and modalities including ultrasound and electrical stimulation. To compliment the services in the office, we also provide education on the use of therapeutic grade essential oils through a company called Young Living. These oils are the “life force” of a plant. Essential oils are uplifting, protective, calming and regenerating---God’s unique gift from the plant world to us. Please contact us if we can be of service in any way.
