

THE EAGLE'S NEST

(Age 3 to pre-K)

HCA is again offering a great opportunity for our teacher's children! Your age-3-to-pre-K child will not only receive great care, but will also be an active part of our enrichment program. We will study Bible themes and various holidays through songs, crafts, finger play and other activities.

If your child will be attending while you teach next year, please take a moment to fill out the information below. This will help us at THE EAGLE'S NEST to understand and serve your child better! God bless!
